\$200

## MAX STARTING MILES DIESEL

**Class 3-4 350,000 Miles**

**Class 5-6 450,000 Miles**

## MAX STARTING MILES GAS

**Class 3-4 250,000 Miles**

**Class 5-6 300,000 Miles**

## FUEL TYPE

All base plan pricing is for Diesel engines. Gas engines are eligible for Bronze, Silver, and Gold plans and will receive a \$300 discount off of the listed diesel prices.

## MEDIUM DUTY COMPONENTS COVERAGE LIST

### BRONZE Power Train

Includes Items  
1-4

- 1. ENGINE COMPONENTS:** All internal lubricated parts within the engine including camshaft, cam followers, camshaft bearings, connecting rods, connecting rod bearings, crankshaft, crankshaft bearings, cylinder head gasket, exhaust valves, intake valves, lifters, main bearings, oil cooler and housing; oil pan; oil pump, pump gears, pump housing, pump pickup screen, pump pickup tube, pump pressure relief springs and valves; pistons, piston rings, push rods, rocker arms, rocker arm shafts, timing chain, timing gears, valve guides, valve retainers, valve springs, valve stem seals, wrist pins; required seals, gaskets and fluids needed to complete a covered repair; associated state and local taxes when applicable by state law; The engine block, cylinder head(s) and cylinder liners are only covered in conjunction with a covered Mechanical part Failure.
- 2. TRANSMISSION COMPONENTS:** All internal lubricated parts of the manual or automatic transmissions, including: torque converter, oil pump, valve body, governor, bands, drums, planetaries, sun gear, sprag(s), shaft(s), bearings and related bushings, shift rail, forks and synchronizers. The transmission case is only covered in conjunction with a failed covered part.
- 3. REAR AXLE COMPONENTS:** All internal lubricated parts including: output shaft, bearings, bushings, gear sets, axle and bearings, carrier, ring and pinion gears, bearings, bushings, axle shaft. The drive axle housing is only covered if damaged by a failed covered part.
- 4. TRANSFER CASE COMPONENTS:** All internal lubricated parts of the transfer case, bearings, bushings, chains, gears, sleeves and sprockets. *(Exclusions are clutch, pressure plate, throw-out bearing, linkage, cables, shifter, electronic switches, solenoids and clutch slave cylinders.)*

### SILVER Power Train+

Includes Items  
1-6

- 5. AIR CONDITIONING COMPONENTS:** OEM installed equipment only. Accumulator, compressor, clutch, clutch bearing, condenser, dryer/receiver, evaporator. *(Exclusions are component failure due to contamination of the specified manufactured refrigeration oil, recharge and evacuation system, A/C system conversion from Freon to other chemicals and any retrofit process.)*
- 6. HEATING & COOLING COMPONENTS:** Radiator, water pump, thermostat, electric radiator fan, fan and clutch, coolant recovery container. *(Exclusions are belts, hoses, heater core, blower motors and electric switches.)*

### GOLD Stated

Includes Items  
1-12

- 7. BRAKING COMPONENTS:** All internal lubricated parts of the hydraulic system, including master cylinder, hydro boost, vacuum power assist booster and valve, disc brake calipers, wheel cylinders, steel brakes lines and hoses. *(Exclusions are linings, rotors, pads, drums, hardware and any component failure due to fluid contamination and ABS.)*
- 8. ELECTRICAL COMPONENTS:** Alternator, electric horn, front wiper motor, rear defroster switch, starter motor, starter drive assembly, starter solenoid, and voltage regulator.
- 9. STEERING COMPONENTS:** Power Steering pump, rack and pinion, steering gear box.
- 10. SUSPENSION COMPONENTS:** Upper and lower control arms, upper and lower ball joints, leaf and coil springs *(only if broken)*, wheel bearings and spindles.
- 11. TURBO CHARGER/FUEL SYSTEM COMPONENTS:** OEM installed equipment only. All internally lubricated parts, fuel injectors, fuel injector cups, fuel pump, turbo housing, turbo wastegate, turbo vanes, turbo shafts and turbo bearings.
- 12. SEALS and GASKETS COMPONENTS:** Cylinder head gaskets and intake manifold gaskets are covered. All other seals and gaskets are only covered in conjunction with the repair of a listed component.

### PLATINUM Stated/EATS

Includes Items  
1-13

- 13. EXHAUST AFTER TREATMENT SYSTEM (EATS) COVERAGE (DIESEL ONLY):** This Coverage includes the following components; back pressure control valve (BPV), BPV regen valve, BPV control cylinder; Diesel exhaust fluid (DEF) pump, DEF doser injector, DEF level sensor, DEF temp sensor, DEF heater control valve, DEF heating element; Diesel Oxidation Catalyst (DOC) catalyst only DOC temperature sensors pre and post; Diesel Particulate Filter (DPF) filter assembly, DPF hydrocarbon doser injector, DPF air / fuel manifold, DPF back pressure sensor, DPF fuel pressure sensor, Exhaust Gas Recirculation (EGR) valve assembly one or two, EGR cooler assembly, Electronic Control Modules (ECU) after treatment ECM, ECU dosing ECM; Select Catalyst Reduction (SCR) catalyst, SCR temperature sensors pre and post; Oxides of Nitrogen (NOx) sensor.

### VEHICLE-POWERED TRU Optional Coverage

- 1. REFRIGERATION SYSTEM -** Compressor (all internal compressor parts including main compressor shaft seal. Excluded compressor accessories are unloader valves, unloader valve coils, pressure relief valves, safety valves and switches and all fittings), Evaporator Coil, Condenser Coil, Condenser Fan, Microprocessor control board module (excludes external wiring), King Valve, Expansion Valve, Receiver/Dryer.

### STANDALONE TRU Optional Coverage

Includes the Refrigeration System components listed above plus the following engine components:

- 1. ENGINE -** internal lubricated hard parts limited to pistons, pistons rings, piston oil cooling jets, wrist pins, connecting rods, connecting rod bearings, crankshaft, main bearings, thrust washers, camshaft and cam bearings, cam followers, rocker arm shafts, rocker arms, push rods, hydraulic lifters, intake and exhaust valves and guides, valve springs, constant velocity valve, oil pump housing, oil pump gears, oil pump pick up screen, oil pump pick up tube, oil pump pressure relief springs and valves, valve retainers, valve keepers (locks), timing chain and gears, timing chain tensioners, timing gear cover, valve cover, oil pan, injectors and water pump.
- Seals and Gaskets are not listed for coverage.

## CONDITIONS & LIMITS OF LIABILITY

### CONDITIONS

Max Age (Current Model Year -11)	12
Towing Reimbursement	\$500 (3 per contract)
Deductible	\$250
First 90 days ACP items	\$500
If repaired at selling dealer	\$0
Labor Rate (Per Hour)	\$175

### LIMITS OF LIABILITY

Engine	\$15,000
Transmission & Rear Axle	\$7,500
Turbo/Fuel System	\$7,500
Exhaust After Treatment System	\$6,000
Truck Refrigeration Unit	\$4,500/\$7,500
Total Aggregate Limit	\$22,000 or ACV at time of repair
